Annual Luau Feast

August 17th was our Annual Luau celebration. We started the afternoon with piña colodas and listening to some music recorded by Don Ho. At

dinner time, everyone came dressed in their most colorful attire and received a Hawaiian lei as they came into the dining room. Lee and team cooked up an authentic feast of chicken stir fry, Polynesian pork chops, coconut shrimp, and plenty of sides. Then, more frozen piña colodas and pineapple coconut ice cream for dessert. We had some great music by Judy Locke as she strolled throughout the dining room playing some favorites like Hawaiian Wedding song, Tiny Bubbles, and Blue Hawaii.

From the Director's Desk

Welcome to the dog days of summer. Please be mindful of how hot it is outside. The humidity and heat indexes have been off the charts this summer. Take care of yourself, your loved ones and your pets.

We all made it through the solar eclipse and had fun looking at the sun with so many different contraptions. Boxes with pin holes, iPhones and iPads, even the shadows on the

ground were in crescent shapes. It was truly an event to get excited about!

Labor Day is quickly approaching, as well as our Fall Carnival. Labor Day was first recognized as a National holiday in 1894 and celebrates the economic impact and social contributions of the American worker. We are truly blessed to live in a country that has so many visionaries in our past.

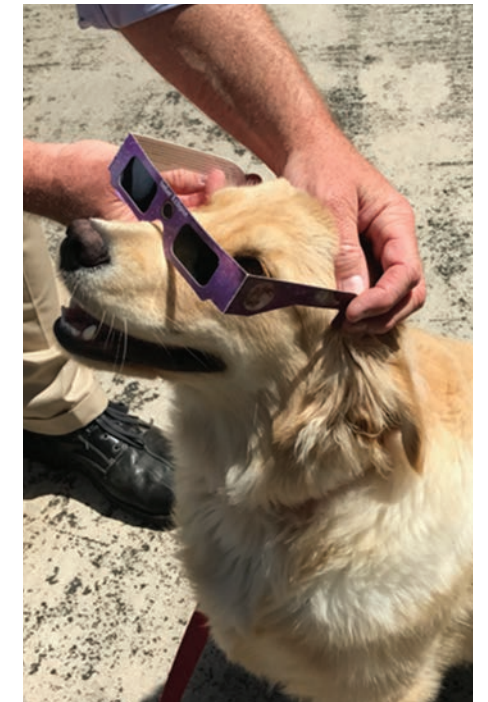

Our Fall Carnival is on Monday, September 4th, from 2-4pm. I look forward to seeing everyone there for games, prizes, and plenty of fun!

Bella's Corner

Our Bella continues to deliver happiness to all of us here at CountrySide. This week she enjoyed a bath and a haircut with the mobile groomer. She's doing great following commands and walking without her leash to visit Physical Therapy. We're sure this month will bring many active games of fetch in our backyard and a little TLC to those of us who need it most.

TOTAL ECLIPSE

We enjoyed this special event with good ol' fashioned Moon Pies!

Then & Now - Toys

One of our Then & Now presentations for July, was toys from the past, including Matchbox cars from the 60's, Hess Fire Truck, Fisher-Price record player from the 70's, Jack in the Box, Playdough, Care Bears and many other things. Our dolls included collectible Barbies, Madame Alexander, Raggedy Ann, porcelain and Indian dolls, even one made from buttons and spools.

We enjoyed talking about some of the toys we played with as kids, as well as what our children played with - including an old favorite, Cabbage Patch Kid dolls and the factory where you adopted them. Fond memories and good times were shared by all!
