Director's Corner

Welcome to June, a special month when we celebrate fathers, grandfathers, and father figures.

Father's Day has been named to remind us to find time to remember our own dad in whatever way we can. The day is dedicated to giving appreciation for the care and love that a father gives his children and family.

We have outstanding fathers residing here at CountrySide Lakes. They have unconditional love for and unwavering faith in their children without demanding anything in return. It is an honor to know these gentlemen and to say to them on behalf of our entire community, "Happy Father's Day."
