MESSAGE FROM THE EXECUTIVE DIRECTOR

On this Fourth of July, we will celebrate our nation with a special cookout by the pool. It is also another occasion for us to honor our own patriots whose images are displayed in our "Gallery of Heroes." Veterans are heroes at CountrySide Lakes and we are blessed with so many residents who served our nation.

It's going to begin to look a lot like Christmas around here on the 25th of the month. Get ready for our "Christmas in July" fun celebration. Creative crafts and holiday treats are planned.

In this newsletter, we recognize residents who share the same first names. Check out our centerfold of "namesakes." What a good looking group!

Stay cool and thank you for your daily smiles and acts of kindness to each other.

ELEGANT “CHEF’S TABLE” EVENT IN THE LAKESIDE BISTRO

Gourmet get-together with our fashionable residents who attended last month’s “Chef’s Table” event in the Lakeside Bistro.

The menu was superb. Chef Kris prepared a culinary feast featuring a Chateaubriand main course with wine pairings ending with a spectacular Bananas Foster dessert.

Pictured above (front left) Don & Carmen Dysarz, Helen Finley, Lilly Hamner, Chef Kris Favata, Betty Snover, and Marsha & Stewart Spar.

Pictured below (from left) Jill Graziano, Mike & Marie Helland, Jini Rawlinson, and Ron Fogel.

Don’t miss out on the next “Chef’s Table.” Be sure to make your reservation early with Barbara Lovelace.

ASSOCIATE SPOTLIGHT - JULIE SMITH

Born and raised in Indiana, Julie moved to Florida and obtained her Bachelor’s Degree in Human Services from Saint Leo University and a Nursing Degree from Daytona State College.

She and her husband, Brandon, a real estate broker, live in Edgewater with their two adopted rescue dogs and two adopted rescue cats.

Since she was a teenager, Julie has always had a passion for working with seniors, both humans and pets. She has the ideal occupation providing assisted living care to the seniors who reside at CountrySide Lakes. But, when she is home, Julie cares for senior pets.

A true animal lover, Julie rescues and fosters older dogs and cats since most people overlook them in favor of puppies and kittens. She often volunteers helping local agencies but does a lot of rescue work on her own.

We are blessed that Julie is a member of our staff.
