MESSAGE FROM THE DIRECTORS

Welcome to September, which promises to be an exciting month filled with positivity and renewed energy.

We will celebrate Labor Day, send our veterans on a well earned Honor Flight, display artwork by residents, and look forward to an entertaining Talent Show.

The building has never looked better with new flooring and fresh paint everywhere. Our bucket list of property improvements is long but attainable. Take comfort in knowing that as your Directors, our priority is your well-being and happiness. Exemplary service is our primary goal. We are dedicated to successfully managing the day to day operations and welcome your feedback.

MEET THE BURTS

The Burts were high school sweethearts in Carlton, Georgia. Bob, a Chief Yeoman U.S. Navy Veteran who retired with 38 years federal service at the Pentagon, and Lois, a former bank manager, have been married for 71 years. They lived in Charles Town, West Virginia for 40 years. Together, they built and ran a Retreat Center in Israel for seven years. They have a son, daughter, grandson, and a great-granddaughter. Bob and Lois lived in Elkton, Virginia for the past five years before deciding to move to CountrySide Lakes.

ROSIE THE RIVETER

Remember the iconic "Rosie The Riveter" poster pin up girl during WWII? Turns out she is our very own resident Irene Rostine who worked the "Flying Fortress" B-17 plane riveting the tail gunner's section. No more rivets for Irene, but ask her to show you and maybe even play for you the fabulous ornate organ in her apartment.

"Chef's Table" connoisseurs raise their glasses to toast Chef Kris for a sumptuous culinary feast (standing) Claire Anderson, Sue Gray, Rosemary Wolfe, and Normand Robert (seated) Betty Wilson, Chuck Ritchel, and Aline Robert.

Getting ready for the Veterans "Honor Flight" are Bob Fortune, Clarence Bloom, Sonny Friedland, Mike Helland, and David Braddish.
