HAPPY FATHER'S DAY

June 2023

MESSAGE FROM THE EXECUTIVE DIRECTOR

Father's Day is the day this month that honors the role of a father in a child's life. To the world, he is a dad, but to his family he is the world.

We will be celebrating all the fathers who reside in our community on June 18, as well as the cherished memories we have of our own dad.

Father's Day is also the day to recognize and honor such father figures as a brother, uncle, coach, teacher or pastor.

Interestingly, Father's Day was actually created by a woman in 1909 to establish an official equivalent to Mother's Day for male parents.

In 1972, it officially became a national holiday celebrated on the third Sunday in June.

Fathers deserve our love and respect because they are truly special. Dads are a son's first hero and a daughter's first love.

To all the dads here at CountrySide Lakes and those in heaven, "Happy Father's Day."

EMPLOYEE OF THE MONTH

JESSICA TINDAL knows how to achieve a healthy work-life balance. When she is not multi-tasking in our dining services department, Jessica spends quality time raising her two daughters, ages three and seven. She and the girls love to spend time together, especially at the beach.

Born and raised in Port Orange, Jessica graduated from Spruce Creek High School ten years ago. She has worked at CountrySide Lakes ever since.

Jessica performs multiple roles in our kitchen and dining room: serving, cooking, dish washing, and delivering meals to apartments.

She likes to stay busy and enjoys helping out wherever she is needed.

When asked what her proudest achievement in life is, Jessica beamed with joy saying "being a mom."

SUPER NURSES

We salute these highly trained nurses who provide personal care services to residents needing assistance. The nursing team is comprised of two dozen staff members led by the Director of Nursing, Kris Williams RN, and Trudy Simmons, Executive Director and a career nurse. Pictured here during "National Nurses Week," they were honored by residents and staff.

Thank you, Kim Noble, Kris Williams, Trudy Simmons, Julie Smith, and Mary Mis.

Chef George Gaunt elevates any occasion with creative cuisine specialties, whether it's behind the bar with Jessica Tindal and Lifestyle Director Barbara Lovelace or a charcuterie board for Super Nurses.

"Family & Friends Picnic" on our grounds. 200 attendees enjoyed cookout dining under the big tent, outdoor games and live entertainment.

Congratulations to our new sister community in St. Augustine, Senior Living at The Greens, on its recent grand opening. Ribbon-cutting ceremony by Executive Director Jerry Lynn Daniels and executives from Frontier Management and Senior Living Fund.
