August 2023

Staying cool in the swimming pool. One of the best ways to beat the heat is in our pool. Splashing around are KATHY SANTI, ANNE MARIE MARTINO, ROSEMARY WOLFE, MARSHA SPAR and STEWART SPAR. Behind them is aqua aerobics instructor JONI ZINDELL.

FROM THE EXECUTIVE DIRECTOR

We are blessed with beautiful year-round weather in Florida. People relocate here from all parts of the country to get away from the cold, snow, and icy roads. However, it can get very hot at times. In fact, 2023 has been the hottest year in modern history.

Currently, we are in the midst of the "Dog Days of Summer," the hottest and most unbearable days of the season. Mistakenly, many feel the term refers to having weather not fit for a dog or that the extreme heat makes dogs mad.

The ancient Romans believed extreme heat occurs due to the rising of the star system Sirius, known as the "Dog Star." Ever since, the extreme hot weather has been referred to as the "Dog Days of Summer."

In this newsletter, we proudly present the "Dogs of CountrySide Lakes," those adorable canines who reside in our community. Bella, our lovable therapy dog, has been in the community the longest. She can be found most days in the PT clinic on the third floor if you would like to get to know her.

Enjoy seeing all our cool dogs during these hot days!

EMPLOYEE OF THE MONTH

. . . KIM NOBLE, LPN

The military has played a significant role in Kim's life. Her father was a U.S. Marine, she married a man in the U.S. Air Force, and two of her children served in the military.

Kim was born in California, but growing up in a military life she never lived longer than a couple years in any one place.

A promising nursing career that began by working in kidney dialysis was put on hold to start a family. For the next 25 years, Kim raised and homeschooled five children.

When she decided to resume her career five years ago, she got a job here at CSL. Kim loved it so much, she decided to pursue a degree in nursing. In short order, she impressively obtained an LPN diploma.

Residents and staff appreciate Kim's struggle and faithful commitment to excellence.

Kim has four grandchildren and lives in Port Orange with her husband who is now retired. They keep busy with over six acres of yard work and tending to 25 chickens.

Congratulations, Kim, on deservedly being named our Employee of the Month.

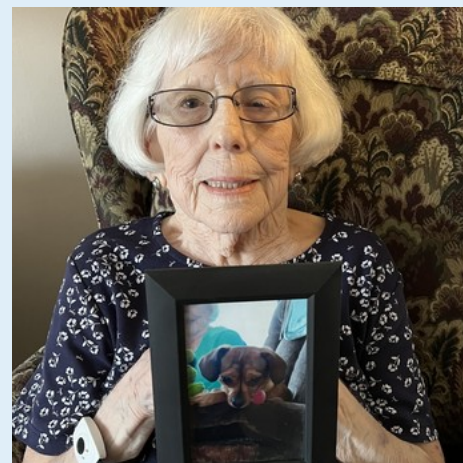

Hot fun in summer. TRUDY SIMMONS and the team serving up a big cookout to lots of family and friends.
