## MESSAGE FROM THE EXECUTIVE DIRECTOR

Veterans are heroes at CountrySide Lakes. We have over 30 veterans residing in our community and we will proudly honor them this month on Veterans Day.

Throughout the year, we celebrate the men and women of our community for their patriotism, love of country, and willingness to serve and sacrifice for the common good.

The portraits on our "Wall of Honor" are a daily reminder that heroes live among us. Some served in World War II, Korea, and Vietnam, while others served honorably in important active duty posts and missions all over the world.

We are thankful for their service as we are for all our personal blessings when we come together later in the month to celebrate Thanksgiving Day.

It was during the Civil War that a day of thanksgiving was proclaimed a national holiday.

Family and friends are welcome to join our veterans and residents on Thanksgiving Day for a joyous celebration of American history.
