MESSAGE FROM THE EXECUTIVE DIRECTOR

2024 is a Leap Year which makes February 29 an extra day of the year.

Let's take advantage of this bonus day by doing charitable acts of kindness for others. We can celebrate a "Leap Day of Kindness" in many positive ways such as donating clothing and personal care items to a local shelter or by sending a handwritten note card to someone special. The possibilities of kindness acts are endless.

A random act of kindness is a selfless way of extending goodness without expecting anything in return. It is a good deed that is truly the embodiment of compassion and caring. Please submit your act of kindness suggestions to Barbara Lovelace to help make "Leap Day of Kindness" a rewarding experience.

February is a perfect month for residents and staff to spread the kindness on leap day and lots of love on Valentine's Day.

EMPLOYEE OF THE MONTH

DIANA BRECOUNT joined our housekeeping team in September and has quickly gained the love and admiration of everyone she encounters. She feels the residents and staff are friendly and so positive to be around.

Born and raised in Iowa, Diana misses living there. Prior to moving to Florida, she had a very sweet job in Iowa - it was in a cookie factory!

Diana and her husband live in South Daytona. She has two adult children, six grands, and one great-grandchild.

Congratulations, Diana.
