MESSAGE FROM THE EXECUTIVE DIRECTOR

We are a community of good souls. Throughout the year, we come together to support such projects as a walk to end Alzheimer's, food boxes for the needy, and a free shredding event. Later this month, we will be "spring cleaning" apartments for a community yard sale to benefit the American Cancer Society.

Spring cleaning is a great way to de-clutter your space of unwanted items that have accumulated. Donating those items to a charity yard sale is even better.

Our spiritual lives can usually use some tidying up as well. Spring cleaning of the soul can be accomplished by cleaning out the cobwebs of negative thoughts and feelings, clearing the clutter of unmet expectations, and dusting away old resentments and past hurts.

As you spring clean your soul, embrace life in all positivity and experience each moment as it should be.

To our friends and neighbors celebrating Passover this month, we wish you and your loved ones a blessed and meaningful holiday.

EMPLOYEE OF THE MONTH

DESTINY FOSTER is a real sweetheart. She is a culinary staff server in the dining room but often spends some of her personal time visiting residents.

She is fond of our residents and very caring when they're together. According to Destiny; "They are wonderful. It's like having grandparents at work."

Born and raised in Ann Arbor, Michigan, Destiny moved to Port Orange in 2018.

She was a senior at Spruce Creek High School when she was hired by CountrySide Lakes.

Family is very important to Destiny especially her four siblings.

She absolutely loves the beach and hanging out with friends in the sun.

Her career goal is to become a geriatric nurse. How perfect!

Congratulations Destiny and good luck in all you do.

RESIDENT SPOTLIGHT

NANCY FLEET is a New Yorker at heart but loves living in Florida.

Born in Rochester, NY she lived most of her life in Bath, NY having moved there when she was three years old on the day Pearl Harbor was attacked.

After 20 years of being a "snowbird" from New York to Florida, Nancy decided to move to Florida permanently.

She loves to sew and is accomplished at it but her specialty these days is making quilts.

Nancy has three children, six grands, seven great-grands and says ... there's more on the way!
