MESSAGE FROM THE EXECUTIVE DIRECTOR

This month we celebrate all the fathers who reside in our community. They have diverse backgrounds but share one thing in common; strength, compassion, and unwavering support for their family.

A son's first hero and a daughter's first love is their father. He is a role model who demonstrates the importance of hard work, kindness, and perseverance.

Happy Father's Day to our wonderful dads. The love and wisdom you share with your children is priceless.

Old Glory is also celebrated this month. Flag Day commemorates the congressional adoption of the United States flag in 1777. While the original Old Glory is in the Smithsonian Institute, our own flag is proudly flown throughout the year as a symbol of patriotism and national pride.

On Flag Day, all residents are invited to come out and pay tribute to our stars and stripes along with the veterans who reside here, many of whom are also devoted and loving fathers.
