JANUARY 2026

Message from the Executive Director

We greet 2026 with renewed hope for world peace and love throughout the new year.

2025 was a memorable year at CountrySide Lakes. We welcomed 49 new residents into our community, celebrated 35 years in operation, sent six of our veterans on the "Honor Flight" and were voted best independent and assisted living for the 14th consecutive year.

Our generous residents supported Alzheimer's and breast cancer charity events as well as back to school supplies and Thanksgiving meals for local families in need.

Happy New Year to all the residents and staff who make CSL a joyful place to live and work. Here's to sharing more moments and making wonderful memories together.
